About the Course:

The English Turn Golf and Country Club is an award winning Par 72 Championship Golf Course designed by Jack Nicklaus. Jack Nicklaus created eighteen unique, championship holes surrounded by an expansive waterway. At English Turn each hole is different. There are no architectural cookie cutters here, and no holes designed merely to divide residential areas. The greens are notoriously undulating, challenging yet fair for the club member and pros alike. The famed 18th of English Turn was consistently rated one of the most challenging on the PGA Tour.
